# History

## 2017-18

### Associate in Arts Degree in History

History is the study of recorded human experience. This major allows us to transcend our cultural limits through the study of other societies in other times, to understand the diversity of the human experience.

### Careers in History

This history major provides a student with the training necessary for careers in business, education, publishing, journalism, law, government, foreign service, and teaching. It also provides the background for careers as librarians, historians, and archivists.
