Santa Barbara City College

Liberal Arts and Sciences: Arts & Humanities Emphasis 2017-18

Associate in Arts Degree in Liberal Arts and Sciences: Arts & Humanities Emphasis

The Liberal Arts and Sciences: Arts & Humanities Emphasis degree at Santa Barbara City College (SBCC) is designed for students who wish to have a broad knowledge of arts and sciences while building a foundation within an “area of emphasis.” This degree can be a good option for students who may need to explore possibilities before committing themselves to a major prior to transferring to a four-year university or for students who may not be planning to transfer but wish to earn a degree in a particular area of study that interests them.

By completing the Liberal Arts and Sciences: Arts & Humanities Emphasis degree, students will be exposed to an interdisciplinary pattern of coursework essential to the understanding of the contemporary world, its people, and its cultures. Students will survey, analyze and interpret key philosophical, historical, literary, aesthetic and cultural works produced over the course of human history to better understand social and historical life as well as human existence, human meaning and human creativity. Students will also practice forms of creative, intellectual, and cultural expression.

Common majors within the Arts & Humanities Emphasis include, but are not limited to, the following: English, Ethnic Studies, Film Studies, Fine Arts, Foreign Languages, History, Humanities, Music, Philosophy and Theater Arts.

NOTE: Program first offered Fall 2009.
