Associate in Arts Degree in Liberal Studies: Emphasis in Education

The Liberal Studies: Emphasis in Education degree at Santa Barbara City College (SBCC) is intended to prepare students to transfer to a Liberal Studies–Teaching Education bachelor’s degree program. Course requirements for Liberal Studies – Teaching Education programs are different at each four-year institution. Therefore, students pursuing this degree must select their courses in consultation with an SBCC academic counselor to ensure they satisfy the lower-division preparation for the Liberal Studies program of the four-year institution they are planning to attend.

The Liberal Studies: Emphasis in Education degree is an interdisciplinary program that provides students with a foundation of knowledge in the areas of English composition, critical thinking, oral communication, sciences, arts and humanities, and social sciences. Through this program students acquire a breadth of knowledge across multiple disciplines, explore how knowledge across disciplines can be connected, analyze and evaluate ideas using the tools of critical thinking, and demonstrate effective communication skills in reading, writing, listening and speaking.
