

Note that each campus in the California State University system determines how it will apply external examinations toward credit in the major. For information about course credit awarded toward the major by each CSU campus, contact the individual campus. For information about the UC policy for AP and about course credit awarded toward the major by each UC campus, visit <http://www.universityofcalifornia.edu/admissions/counselors/ap-credits/index.html>

Refer to this Advanced Placement Chart for complete 2012-13 exam and credit listings.

\* **IMPORTANT NOTES ABOUT AP ENVIRONMENTAL SCIENCE FOR CSU GE BREADTH:** Students who pass AP Environmental Science earn 4 units of credit. Tests prior to Fall 2009 may apply to either B1+B3 or B2+B3 of GE Breadth. Fall of 2009 or later, those credits may only apply to B1+B3.

♦ **IMPORTANT NOTES ABOUT AP SCIENCES FROM IGETC STANDARDS:** AP exams in Biology, Chemistry or Physics B allow CCC campuses to apply 4 semester or 5 quarter units to IGETC certification. For Environmental Science, Physics C: Mechanics and Physics C: Electricity/Magnetism, 3 semester or 4 quarter units are applied for IGETC certification; therefore, students who complete these exams will be required to complete at least 4 semester or 5 quarter units to satisfy the minimum required units for Area 5.

● **IMPORTANT NOTES ABOUT AMERICAN IDEALS (AIR) GRADUATION REQUIREMENT:**

- At the discretion of the CSU Campus granting the degree, courses meeting this requirement may also be counted toward certification in general education (GE Breadth or IGETC).
- CSU US History, Constitution and American Ideals Courses (AIR requirement)—Students satisfy this CSU graduation requirement through coursework in three areas:
  - US-1: Historical development of American institutions and ideals—may be completed with a score of 3 or higher on Advanced Placement US History.
  - US-2: U.S. Constitution and government—may be completed with a score of 3 or higher on Advanced Placement US Government & Politics
  - US-3: California state and local government – cannot be satisfied with an Advanced Placement score. Students must complete an approved course at a California community college or complete this requirement at the CSU campus after transfer.

**OTHER NOTES:**

- Music Theory subscore: The UC system grants credit for the full Music Theory exam. Students who earn only a subscore will not receive exam credit.
- Duplication of AP and college courses taken before or after attending UC may duplicate IB or AP examinations. If the student does duplicate an exam with a college course or vice versa, UC will award credit for only one.
