Class Attendance

The last step of enrollment will be completed upon attendance at the first class meeting. Students who are not in attendance at the first class meeting are considered “no-shows” and the instructor may drop such persons in order to give their seats to non-registered students seeking to enroll. Also, an instructor may withdraw a student from semester-length courses at any time for excessive absence through the 9th week of the Fall/Spring Semesters, and 60% point of the class for Summer and courses less than a semester in length. As a guideline, absence is considered excessive if a student misses three (3) class meetings or the equivalent of one week of class attendance, or according to absence guidelines as published in the course syllabus.

Absence due to a verified illness may be accepted as an excused absence for a limited period of time. Students are expected to notify their instructor by e-mail and/or phone message if they are absent for a medical reason. Students are expected to make appointments for medical and dental treatments at times other than when classes are scheduled. Students anticipating or encountering extended absences due to medical, personal or family emergencies should contact the Dean, Educational Programs—Student Support Services, Room SS-260, ext. 2237.

It is the student's responsibility to officially withdraw by stated deadlines either online or in person in Admissions

& Records. Students failing to officially withdraw by the deadline may receive an “F” or “FW” grade.
