

considered consecutive on the basis of the student's enrollment, i.e., a Fall semester followed by a Fall Semester shall be consecutive if the student was not enrolled for the intervening Spring Semester.) A student placed on progress disqualification may be subject to unit and course limitations and/or other conditions of enrollment.

*Progress Disqualification Exception: When a student completes more than 50% of the units taken during the current semester and has completed a minimum of six (6) units, the student will be automatically permitted to re-enroll for each additional semester in which he/she satisfies the exception criteria, or until the student returns to progress good standing. During the exception period, the student will retain progress disqualification exception status and may be subject to unit, course and/or other conditions deemed appropriate by the Office of the Dean, Educational Programs—Student Development.*

### Progress Dismissal

A student who has been placed on progress disqualification may be subject to dismissal. The student may petition the Dean, Educational Programs—Counseling and Student Development, to be reinstated and if approved will be permitted to enroll for the following semester, or after one or more semester(s) not in attendance the student may reapply and will be readmitted. If reinstated or when readmitted, the student may be subject to unit, course and/or other conditions of enrollment until such time as the student returns to progress good standing.

### Readmission after Dismissal

A student placed on academic and/or progress disqualification who is dismissed may after one semester not in attendance reapply for admission and will be readmitted. A student may appeal the academic or progress dismissal by petitioning the Dean, Educational Programs—Student Support Services (SS-260). Extenuating circumstances, such as, but not limited to, medical, psychological and legal reasons, and evidence of benefit, are considered. Dismissed students who are reinstated by petition or by administrative action or those re-enrolling after one or more semesters of absence may be subject to unit and course limitations and/or other conditions, such as required participation in support services designed to improve student success.

Students dismissed based on violations of the *Student Code of Conduct* may be readmitted or reinstated subject to the terms of the suspension and/or dismissal.

### Advanced Placement

Students who have completed Advanced Placement (AP) Examinations of the College Entrance Examination Board with scores of 3, 4, or 5 may receive credit at Santa Barbara City College for each advanced placement course as listed in the chart below.

Credit awarded through advanced placement *MAY* be used to satisfy graduation requirements toward the Department Award, Skills Competency Award, Certificate of Achievement and Associate Degree. The units earned from AP credit will not apply toward financial aid nor can they be used to satisfy the 15-unit residency requirement for graduation.

A score of 3, 4, or 5 is required to grant credit for IGETC and CSU GE certification. Each AP exam may be applied to one IGETC/CSU GE area as satisfying one course requirement, with the exception of IGETC Language Other Than English (Area 6A—see chart below). Students who have earned credit from an AP exam should not take a comparable college course because transfer credit will not be granted for both. The CSU policy for AP can be found at <http://www.calstate.edu/AcadAff/codedMemos/AA-2011-12.pdf>. Note that each campus in the California State University system determines how it will apply external examinations toward credit in the major. For information about course credit awarded toward the major by each CSU campus, contact the individual campus. For information about the UC policy for AP and about course credit awarded toward the major by each UC campus, visit <http://admission.universityofcalifornia.edu/counselors/exam-credit/ap-credits/index.html>.

\* **IMPORTANT NOTES ABOUT AP ENVIRONMENTAL SCIENCE FOR CSU GE BREADTH:** Students who pass AP Environmental Science earn 4 units of credit. Tests prior to Fall 2009 may apply to either B1+B3 or B2+B3 of GE Breadth. Fall of 2009 or later, those credits may only apply to B1+B3.

♦ **IMPORTANT NOTES ABOUT AP SCIENCES FROM IGETC STANDARDS:** AP exams in Biology, Chemistry or Physics B allow CCC campuses to apply 4 semester or 5 quarter units to IGETC certification. For Environmental Science, Physics C: Mechanics and Physics C: Electricity/Magnetism, 3 semester or 4 quarter units are applied for IGETC certification; therefore, students who complete these exams will be required to complete at least 4 semester or 5 quarter units to satisfy the minimum required units for Area 5.

● **IMPORTANT NOTES ABOUT AMERICAN IDEALS (AIR) GRADUATION REQUIREMENT:**

- At the discretion of the CSU Campus granting the degree, courses meeting this requirement may also be counted toward certification in general education (GE Breadth or IGETC).
- CSU US History, Constitution and American Ideals Courses (AIR requirement)—Students satisfy this CSU graduation requirement through coursework in three areas:
  - US-1: Historical development of American institutions and ideals—may be completed with a score of 3 or higher on Advanced Placement US History.
  - US-2: U.S. Constitution and government—may be completed with a score of 3 or higher on Advanced Placement US Government & Politics
  - US-3: California state and local government—cannot be satisfied with an Advanced Placement score. Students must complete an approved course at a California community college or complete this requirement at the CSU campus after transfer.

**OTHER NOTES:**

- Music Theory subscore: The UC system grants credit for the full Music Theory exam. Students who earn only a subscore will not receive exam credit.
- Duplication of AP and college courses taken before or after attending UC may duplicate IB or AP examinations. If the student does duplicate an exam with a college course or vice versa, UC will award credit for only one.

## International Baccalaureate Examination Program

Santa Barbara City College may grant credit toward the Associate Degree by petition for some high-level International Baccalaureate examinations, where a grade of a 5, 6, or 7 has been earned. Students wishing to receive credit for international baccalaureate examinations should contact the college's Articulation Officer for petition procedures.

A score of 5, 6 or 7 on Higher Level exams is required to grant credit for IGETC and CSU GE Breadth certification (exception: a score of 4 the following IB subjects is considered a passing score for CSU GE Breadth certification: Language A1 HL, Language A2 HL, Language B HL, Mathematics HL and Theatre HL). An acceptable IB score for IGETC or CSU GE Breadth equates to either 3 semester or 4 quarter units for certification purposes. Students who have earned credit from an IB exam should not take a comparable college course because transfer credit will not be granted for both.

~ The CSU policy for IB can be found at [www.calstate.edu/AcadAff/codedMemos/AA-2011-12.pdf](http://www.calstate.edu/AcadAff/codedMemos/AA-2011-12.pdf). Each campus in the California State University system determines how it will apply external examinations toward credit in the major. Contact the individual campus for more information.

+ The International Baccalaureate Organization (IBO) awards either a diploma or a certificate for individual IB exams. Students completing the International Baccalaureate diploma with a score of 30 or above will receive 30 quarter (20 semester) units toward their UC degree. The University of California also grants 8 quarter (5.3 semester) units for students who receive IB certificates with scores of 5, 6 or 7 on Higher Level exams. For more information about course credit awarded by the campuses, <http://admission.universityofcalifornia.edu/counselors/exam-credit/ib-credits/index.html>.

‡ A score of 4 on these IB subjects is considered a passing score by the CSU system to earn CSU elective units and CSU GE Breadth credit.

§ Credit will be awarded in Area 6A for all languages, except English.
