\* **IMPORTANT NOTES ABOUT AP ENVIRONMENTAL SCIENCE FOR CSU GE BREADTH:** Students who pass AP Environmental Science earn 4 units of credit. Tests prior to Fall 2009 may apply to either B1+B3 or B2+B3 of GE Breadth. Fall of 2009 or later, those credits may only apply to B1+B3.

♦ **IMPORTANT NOTES ABOUT AP SCIENCES FROM IGETC STANDARDS:** AP exams in Biology, Chemistry or Physics B allow CCC campuses to apply 4 semester or 5 quarter units to IGETC certification. For Environmental Science, Physics C: Mechanics and Physics C: Electricity/Magnetism, 3 semester or 4 quarter units are applied for IGETC certification; therefore, students who complete these exams will be required to complete at least 4 semester or 5 quarter units to satisfy the minimum required units for Area 5.

• **IMPORTANT NOTES ABOUT AMERICAN IDEALS (AIR) GRADUATION REQUIREMENT:**

- At the discretion of the CSU Campus granting the degree, courses meeting this requirement may also be counted toward certification in general education (GE Breadth or IGETC).
- CSU US History, Constitution and American Ideals Courses (AIR requirement)—Students satisfy this CSU graduation requirement through coursework in three areas:
  - US-1: Historical development of American institutions and ideals—may be completed with a score of 3 or higher on Advanced Placement US History.
  - US-2: U.S. Constitution and government—may be completed with a score of 3 or higher on Advanced Placement US Government & Politics
  - US-3: California state and local government—cannot be satisfied with an Advanced Placement score. Students must complete an approved course at a California community college or complete this requirement at the CSU campus after transfer.

**OTHER NOTES:**

- Music Theory subscore: The UC system grants credit for the full Music Theory exam. Students who earn only a subscore will not receive exam credit.
- Duplication of AP and college courses taken before or after attending UC may duplicate IB or AP examinations. If the student does duplicate an exam with a college course or vice versa, UC will award credit for only one.

## International Baccalaureate Examination Program

Santa Barbara City College may grant credit toward the Associate Degree by petition for some high-level International Baccalaureate examinations, where a grade of a 5, 6, or 7 has been earned. Students wishing to receive credit for international baccalaureate examinations should contact the college's Articulation Officer for petition procedures.

A score of 5, 6 or 7 on Higher Level exams is required to grant credit for IGETC and CSU GE Breadth certification (exception: a score of 4 the following IB subjects is considered a passing score for CSU GE Breadth certification: Language A1 HL, Language A2 HL, Language B HL, Mathematics HL and Theatre HL). An acceptable IB score for IGETC or CSU GE Breadth equates to either 3 semester or 4 quarter units for certification purposes. Students who have earned credit from an IB exam should not take a comparable college course because transfer credit will not be granted for both.

~ The CSU policy for IB can be found at [www.calstate.edu/AcadAff/codedMemos/AA-2011-12.pdf](http://www.calstate.edu/AcadAff/codedMemos/AA-2011-12.pdf). Each campus in the California State University system determines how it will apply external examinations toward credit in the major. Contact the individual campus for more information.

+ The International Baccalaureate Organization (IBO) awards either a diploma or a certificate for individual IB exams. Students completing the International Baccalaureate diploma with a score of 30 or above will receive 30 quarter (20 semester) units toward their UC degree. The University of California also grants 8 quarter (5.3 semester) units for students who receive IB certificates with scores of 5, 6 or 7 on Higher Level exams. For more information about course credit awarded by the campuses, <http://admission.universityofcalifornia.edu/counselors/exam-credit/ib-credits/index.html>.

‡ A score of 4 on these IB subjects is considered a passing score by the CSU system to earn CSU elective units and CSU GE Breadth credit.

§ Credit will be awarded in Area 6A for all languages, except English.
