

Requirements

The following is required for all A.A-T or A.S-T degrees:

1. Minimum of 60 CSU-transferable semester units.
2. Minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
3. Completion of a minimum of 18 semester units in an "A.A-T" or "A.S-T" major as detailed in the appropriate departmental section of this Catalog. All courses in the major must be completed with a grade of C or better (title 5 § 55063).
4. Certified completion of the California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern (see "Transfer Curricula" in the *Catalog* Index for more information about CSU GE Breadth and IGETC requirements).
5. Candidates for an Associate Degree for Transfer are required to complete at least 20% of the department requirements through SBCC. Pass/no pass grading is not permitted in those courses needed to fulfill department requirements. Candidates for an Associate Degree for Transfer are also required to complete 15 units through SBCC.

Santa Barbara City College Certificate of Achievement

A state-approved program of study, designed to prepare students for job entry or career advancement, allows for Certificate programs comprised primarily of courses within a specific discipline. For most Certificate programs, students must complete all department requirements with a cumulative grade point average (GPA) of 2.0 or better. Some Certificate programs require a "C" or better in every course. Candidates for a Certificate of Achievement are expected to complete at least 20% of the department requirements in residence at SBCC. Some certificates may require a higher percentage of requirements completed in residence at SBCC, Certificates of Achievement differ from Associate Degrees in that they do not require completion of SBCC Graduation Requirements for the Associate Degree.

Santa Barbara City College Skills Competency Award

The Skills Competency Award (SCA) Program identifies courses which, when taken together, will best prepare students to enter the work force in their

chosen field. Candidates for a Skills Competency Award are expected to complete at least 20% of the department requirements in residence at SBCC. Some SCAs may require a higher percentage of requirements completed in residence at SBCC. Skills Competency Awards are not state-approved. These awards provide future employers with verification that the student has mastered core competencies. Students must complete each required course with a "C" or better or Pass (P). Short-term programs leading to a Skills Competency Award are available in these areas:

Access SQL Professional
Acting Level 1 and 2
Acute Care CNA
Advanced Photo Design
Advanced Studies in Alcohol and Drug Counseling
Baking and Pastry
Bookkeeping
Business Administration, Level I and II
Business Communications
Certified Nursing Assistant
Cisco Networking Associate
Commercial Diving
Computer Proficiency Online
Digital Darkroom and Color Management for RGB
Emergency Medical Technician-Basic
Entrepreneurship
Entrepreneurship: Web Design, Level I and II
Esthetician, Level 1 and 2
Graphic Design Entrepreneur I and II
Help Desk and Desktop Support, Level 1 and 2
Home Health Aide
Hospitality Operations Specialist
Human Resource Hospitality Specialist
Information Technology Management
Interior Design Part 1 and 2
International Marketing Communication
Introduction to Teaching English as a Foreign Language
Introductory Costume Crafts and Design
Landscape Operations
Manicure
Media Design and Development
Microsoft Office Development
Microsoft SQL Server Database Administration
Microsoft Windows System Administration and Security
Mobile Application Developer
Mobile Device Administration
Mobile Media Core
Office Assistant
Personal Chef Training
Photo Design I and II
Photojournalism

Print and Color Management for CMYK
Public Relations
Sales and Marketing
Skills for Healthy Aging Resources and Programs (SHARP)
Sustainable Horticulture
Technical Production
Technical Writing
Virtualization System Administration
Web Marketing and Media Design
Web Programming
Web Server Administration

Santa Barbara City College Departmental Award

Departmental Awards are designed to provide students with needed skills in a particular area in a short period of time. Departmental Awards are not state-approved. They are offered to provide recognition of achievement in the following areas:

Accounting Assistant/Bookkeeper, Levels I, II and III
Bio-Medical Sciences
Game Design
Great Books Curriculum
Marine Science
Music
Natural History
Theatre Arts

Santa Barbara City College Transfer Recognition Award

The Transfer Recognition Award is granted to any student who has completed a minimum of 24 units at Santa Barbara City College prior to transfer and has been presented a letter of acceptance from an accredited four-year college or university. An application must be submitted by the student to the Transfer Center.

Catalog Rights

Students may graduate under the General Education and department requirements in effect at the time of first enrollment, as long as continuous enrollment is maintained; or under the requirements in effect from the time continuous enrollment is established and maintained; or under the requirements in effect at the time of graduation. Continuous enrollment is defined as enrollment in both Fall and Spring semesters through the first census each academic year. For purposes of determining catalog rights, the catalog year is Fall, Spring, Summer.

Multiple Degrees/Multiple Majors

A student may earn A.A., A.A.-T, A.S., and A.S.-T Degrees for which all local and state requirements have been met. All majors in which degree requirements have been met will be noted on both the student's transcript and the diploma.

Career and Technical Education Programs

The lack of English language skills will not be a barrier to enrollments in Career and Technical Education programs.

Posibles dificultades con el inglés no son una barrera para matricularse en programas de carreras académicas o educaci—n técnica.

Career and Technical Education (CTE) Curricula

Santa Barbara City College offers a variety of programs and courses in career and technical education leading to Skills Competency and Departmental Award programs, Certificates of Achievement and two-year Associate in Science Degree programs. Subject areas include Business Education, Health and Human Services, Media Arts, Drafting/CAD/Interior Design, Culinary Arts and Hotel Management, Environmental Horticulture, Construction Technologies, Water Science, Computer Network Engineering and Electronics, Marine Diving Technologies and Auto Technologies. Specific award, certificate or degree programs in these occupational areas are listed in the "Programs of Study" table in this *Catalog*. Programs of study are offered in these areas:

Business Education

Accounting
Accounting Assistant/Bookkeeper, Levels I-IV
Bookkeeping
Business Administration
Business Administration for Transfer
Business Administration: Levels I and II
Business Administration: Emphasis in Management
Business Communications
Computer Applications and Office Management
Computer Information Systems
Computer Proficiency Online
Database Programming and Applications Development
Entrepreneurship: Levels I and II
Entrepreneurship: Web Design, Levels I and II
Finance

International Business
Marketing
Office Assistant
Real Estate
Sales and Marketing

Health

Acute Care CNA
Associate Degree Nursing (ADN)
Cancer Information Management (CIM)
Certified Nursing Assistant (CNA)
Diagnostic Medical Sonography (DMS)
Emergency Medical Technician (EMT)
Health Information Technology (HIT)
Home Health Aide (HHA)
Medical Coding Specialist
Radiographic and Imaging Sciences (RT)
Skills for Healthy Aging Resources
and Programs (SHARP)
Vocational Nursing (LVN)

Human Services

Administration of Justice: Criminology
Administration of Justice: Law Enforcement
Administration of Justice: Legal Studies
Administration of Justice for Transfer

Environmental Horticulture
Fire Technology
Hospitality
Hospitality Operations Specialist
Human Resource Hospitality Specialist
Interior Design: Part 1 and 2
Landscape Operations
Marine Diving Technologies
PC Support/Network Management
Personal Chef Training
Sustainable Horticulture
Water Science

Specialty programs in Cooperative Education and job-site training allow students to combine classroom studies with on-the-job experiences. The main thrust of career and technical education is to provide the student with entry-level job skills for a smooth and productive transition to the workplace. Although the requirements in the majors are generally fixed, students have a wide range of courses from which to choose in meeting General Education requirements. *Counselors should be consulted for variations and assistance with planning programs.*

Cooperative Work Experience

Santa Barbara City College offers three types of Cooperative Work Experience—General Work Experience, International Work Experience and Career and Technical Education Work Experience:

General Work Experience 290 assists students to acquire good work habits, attitudes and career awareness in actual job settings. Units are based on the number of hours worked throughout the semester: For paid work, 1 unit = 75 hours, 2 units = 150 hours, 3 units = 225 hours. There are no regular class meetings, but students are required to complete a number of assignments throughout the semester.

International Work Experience assists students to acquire desirable work habits in foreign job settings and to develop an understanding of the role of international business, the foreign country's work habits, economy, labor laws, and cultural/political factors that affect employment.

By satisfactorily completing the International Work Experience/Internship course, a student may earn up to six units per semester. Units are based on the number of hours worked throughout the semester: For paid work, 1 unit = 75 hours, 2 units = 150 hours, and 3 units = 225. For volunteer work, 1 unit = 60 hours, 2 units = 120 hours, 3 units = 180 hours.

Career and Technical Education Work

Experience combines on-the-job training with classroom instruction, enabling the student to acquire knowledge, skills and attitudes necessary to enter and/or progress in a chosen occupation. Class attendance in a regularly scheduled weekly coordinating class is required by some SBCC departments.

For each semester that a student is enrolled in Cooperative Work Experience, it is required that the student provide evidence of new or expanded responsibilities or learning opportunities beyond those experienced during previous employment. Satisfactory completion of specific job-oriented learning objectives is required for determining the student's progress and improvement of performance on the job.

By satisfactorily completing a Work Experience course, a student may earn from 1-4 college units. A maximum of 16 Work Experience units may be applied as electives toward the 60 units required for an Associate in Arts or an Associate in Science Degree.

Credits are based on the number of hours worked during the semester: 1 credit = 75 paid hours or 60 volunteer hours.

Prerequisites for Career and Technical Education Work Experience Courses

The Occupational Work Experience class must be directly related to the student's stated major and the college program in which he/she is enrolled.

Career and Technical Education Departments Offering Work Experience

ADN Nursing
Alcohol and Drug Counseling
Automotive Service and Technology
Business Administration
Computer Applications and Office Management
Computer Information Systems
Construction Technology
Cosmetology
Drafting/CAD
Early Childhood Education
Environmental Horticulture
Graphic Design and Photography
Interior Design

Journalism
Marine Diving Technologies
Multimedia Arts and Technologies
Radiographic and Imaging Sciences
School of Culinary Arts and Hotel Management
School of Justice Studies

Job Referral Services

The Career Center receives numerous job orders from employers in the community and provides referrals for full- and part-time jobs and internships. It also provides a website listing information on all on-campus student jobs and maintains an online job referral system. Every spring the center sponsors an annual Job Fair that invites local employers and allows students to learn about career opportunities and to apply for job openings. Additional information about job referral is available at the Career Center, located in the Student Services Building, Room 282, or by calling (805) 965-0581, ext. 2331.

Transfer Curricula

The large majority of SBCC courses have been reviewed and approved for transfer by four-year colleges and universities through formal articulation agreements. These courses apply to one or more General Education, lower division major and/or elective requirements. These transferable courses have University of California (UC) and/or California State University (CSU) designations in this *Catalog*. These same designations also appear in the *Schedule of Credit Classes*, which is published each semester.

Most majors at four-year colleges and universities require completion of one or more lower division courses as preparation for the upper division. Nearly all of these lower division requirements can be met through transferable SBCC courses. Students can complete four-year institution General Education requirements prior to transfer.

Articulation agreements, available at www.assist.org, identify which courses apply to General Education and lower division requirements at four-year universities. Students can complete many of the lower division requirements for majors offered by UC, CSU or independent institutions, even if SBCC does not offer the major.

Students can qualify for transfer to a multitude of four-year majors not specifically offered at SBCC. Students should check the catalog of the college of intended transfer and meet with a counselor for additional information about major programs and requirements.
