Studio Art for Transfer

Program Description

The Art Department at Santa Barbara City College provides the students an opportunity to study and experience art from a broad range of emphases: a well-structured art studio or art history curriculum for the traditional art major; as part of a structured program for majors from other departments such as MAT or Graphic Design; or for enrichment, development and fulfillment of college requirements for the non-art major.

The department offers courses in design, drawing, three-dimensional design, painting, printmaking, artists' books, ceramics, sculpture and art history to provide the student a full background and training for either transfer to another institution or to proceed independently.

The Art Department is committed to student success in its many programs by providing the highest level of instruction and experience from our foundation level courses to the upper level studio classes. We offer an Associate in Arts Degree or transfer Certificate in Studio Art and Art History and have seen many of our students successfully move on to art schools, 4-year Institutions and professional careers.

In addition, the Art Department offers an AA-T Degree in Art History for Transfer and an AA-T Degree in Studio Art for Transfer. These degrees provide the foundational knowledge in Art History or Studio Arts to students who want to earn a Baccalaureate Degree in Art History or Studio Art. These degrees are in compliance with the Student Transfer Achievement Reform Act {Senate Bill 1440, now codified in *California Education Code* Sections 66746-66749} and guarantee admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer," a

newly established variation of the associate degrees traditionally offered at a California community college. Upon completion of the transfer associate degree, the student is eligible for transfer with junior standing into the California State University (CSU) system. Students will be given priority consideration when applying to a particular program that is similar to the student's community college area of emphasis. For more information on transfer degrees, visit www.sb1440.org.

We have a strong commitment to our local community and have reached a broad audience through the Atkinson Gallery and our Fine Arts Lecture Series, wherein speakers from many art disciplines come to our department and present talks. We support the Art Students Club that also organizes symposia and field trips. We are proud of the broader art experience we have been able to provide to our students. We maintain strong outreach to our local high schools, particularly the VADA program at Santa Barbara High School. We currently offer two dual-enrollment Art History courses with SBHS. We continue to support the Santa Barbara Arts Fund Teen Arts Mentorship Program through faculty involvement as mentors.

Program Student Learning Outcomes

1. Demonstrate knowledge and application and/or analysis of formal principles and elements of art.
2. Demonstrate critical thinking as it applies to critique, evaluation and/or production of works of art.
3. Demonstrate proficiency in understanding and/or use of tools and techniques of making visual art.

Preparation for Transfer

Course requirements for transfer vary depending upon the college or university a student wishes to attend. Therefore, it is *most important* for a student to consult with his/her counselor and departmental adviser before planning an academic program for transfer. Information sheets for majors, outlining transfer requirements, are available in the Counseling Center.

Honors and Awards

Each year, the Art Department exhibits outstanding student work in the Annual Student Art Exhibition. SBCC purchases work for its permanent collection and provides Best of Show and categorical awards. The department supports students in applying for diverse scholarships. The department also selects an Outstanding Art History Student and an Outstanding Art Studio Student each year.

“Focus on something you are doing so deeply that it acts like a magnet for those around you and they cannot continue to do what they are doing.”

—Dorothea Rockburne

Atkinson Gallery

Atkinson Gallery is SBCC's showcase for the visual arts, located on the second floor of the Humanities Building, H-202. Atkinson Gallery hosts six exhibitions each academic year, closing out the year with the Annual Student Exhibition. Any artist living in the Tri-County area may submit work to the annual Small Images Exhibition, which is juried by a different critic/arts professional each year. Also, at least two exhibitions of emerging artists are mounted annually.

Department Resources

Study Abroad

The Art Department participates in the Study Abroad Program and has been part of programs in Italy, the former Soviet Union, Cuba and France.

Honors Courses

ART 104H and ART 103H are Honors section for students enrolled in the SBCC Honors Program. See “Honors” section of this *Catalog*.

Field Trips

The Art Department sponsors field trips to major Southern California museums and galleries as adjunct support for its curriculum.

Internships, Student Participation in Clubs and Exhibitions

The Art Department is supportive of student needs and accomplishments. The Department encourages students to participate in student art exhibitions, including the Annual Student Exhibition held in April and May. The department also employs students as work-study staff, tutors, studio lab assistants, and offers internships in the Art Gallery and Image Resource Center.
