

Culinary Arts and Hotel Management

The School of Culinary Arts and Hotel Management Program develops skills and competencies for positions in the hospitality industry. This unique program mirrors industry standards by providing training in a realistic work environment. Students have the option of selecting either hotel or restaurant/culinary program tracks.

The School of Culinary Arts and Hotel Management Program provides students with measurable outcomes through training in the Cafeteria, Gourmet Dining Room and Coffee Shop, and through catering, purchasing and receiving services, utilizing state-of-the-art equipment.

Instructors possessing industry-recognized credentials and having years of experience direct each operation. The program is recognized nationally as a leading center for culinary and hospitality training.

Program Student Learning Outcomes

1. Students will be able to apply the concepts and techniques of sanitation to a food service environment.
2. Students will be able to demonstrate the use of proper purchasing, storage and costing techniques to profitably operate a food service establishment.
3. Students will be able to demonstrate the ability to work in a professional bakery.
4. Students will be able to demonstrate the ability to work in a professional kitchen as a line and pantry cook.
5. Students will be able to demonstrate the ability to work in a variety of dining room environments as a bus-person, waiter, table captain and sommelier.
