Planning a Program of Study

The Santa Barbara City College History curriculum encompasses nearly all of the courses taken during the first two years at any branch of the University of California and the California State Universities. The offerings also duplicate the lower-division and general education history courses of many private colleges and universities.

Courses in American History satisfy the American Institutions Requirement (AIR) at SBCC, the University of California and other state and private colleges. Elective History courses are offered to meet the needs of History majors as well as of students in other academic and interdisciplinary majors.

American Institutions (AIR)

The American Institutions Requirement (AIR) for the Associate in Arts or Science Degrees from Santa Barbara City College may be satisfied in part or entirely by any of the following: HIST 100 or 101 and 102, or 102H.

Multicultural/Gender Studies

The Multicultural/Gender Studies Requirement for the Associate in Arts/Science Degrees from Santa Barbara City College may be satisfied entirely by any one of the following: HIST 110, 111, 127, 130, 131, 132, 133, 134, 135, or 138, ETHS 101/HIST 114, or ETHS 101H/HIST 114H.

Preparation for Transfer

Course requirements for transfer vary depending upon the college or university a student wishes to attend. Therefore, it is *most important* for a student to consult with his/her counselor and department adviser before planning an academic program for transfer. Information sheets for majors, outlining transfer requirements, are available in the Counseling Center.

Honors and Awards

The History faculty selects one student each year to be honored as "Outstanding Student." Students are nominated by members of the faculty and selections are made on the basis of academic achievements and contributions to campus life. Honors course sections are available for able students in HIST 102 and 104 (HIST 113H).

Special Programs and Courses

Honors Courses

HIST 102H (History of the U.S. Since 1865, Honors) HIST 113H (History of Western Civilization, 1500 to Present) and HIST 114H (Immigration Experience in the U.S.) are for students enrolled in the Honors Program.

Advising

Our faculty is eager to provide counseling to students seeking to explore career opportunities that relate to history as a discipline, or needing further information about any of our course offerings. Dr. David Elliott is the History Department faculty adviser.
