

TAG Matrix for Non-UC/CSU Colleges and Universities

This chart presents the main requirements of guaranteed admission for out-of-state institutions and California independent institutions. Every effort has been made by the Transfer Academy to provide the most accurate and up-to-date information. Requirements may be subject to change without notice. Some schools may have additional requirements based on units completed, intended major, or other factors. It is the responsibility of the student to confirm and plan for all admission requirements, including TAG and/or Regular Application deadlines, by directly contacting a representative from the school(s) s/he is interested in. Visit www.sbccc.edu/TAG for a comprehensive list of the TAG's SBCC currently has in place, including links to each school's agreement.
