The screenshot shows the 'Register for Classes' interface. At the top, there are links for 'Select a Term' and 'Register for Classes'. Below this is a table of 'Open Sections Only: True'. The table has columns for CRN, Section Number, Days, Instructor, Time, Location, Seats, Distance, and Status. The 'Status' column shows 'Registered' for the selected class. In the 'Action' column, a dropdown menu is open, showing options: 'None', 'Drop/Delete Before Term Start', and 'Drop/Delete After Term Start'. The 'Drop/Delete Before Term Start' option is highlighted. At the bottom right, there is a 'Submit' button.

6. BE SURE
TO CLICK
“**SUBMIT**”

This screenshot shows the same registration system as the previous one, but the status of the selected class is now 'Deleted'. The 'Drop/Delete Before Term Start' option is still visible in the 'Action' column. A red circle highlights the 'Submit' button at the bottom right. A black arrow points from the text in the bottom callout to the 'Submit' button.
